

# Brentwood Recreation Complex: Brentwood, MO

Home / Brentwood Recreation Complex: Brentwood, MO

## PROJECT DESCRIPTION

**Client:** City of Brentwood, Missouri

**Project:** Recreation Complex Renovation

**General Contractor:** S.M. Wilson & Co.

**Floor Area:** 41,000 sf

**Construction Schedule:** Four months

## PROJECT APPROACH

Plan/Spec

## ROLE

Installing HVAC Contractor

## PROJECT CHALLENGE/SOLUTION

The 41,000 sf Brentwood Recreation Center project included installing a new HVAC system. We also installed a Building Automation System to optimize energy efficiency. The primary project challenge was installing new equipment in an existing space and completing all work on a tight, four-month deadline.

## PROJECT SCOPE

- Installed New VRF System/Daikin Control System
- Installed DOAS Unit for Ice Rink
- Installed New Kitchen Hood/MAU
- Installed New Heat Recovery/Air Handling Units
